

**ONE HEALTH**

**CONFERENCE**

#foodsafetyresearch

The Luxembourg Veterinary and Food Administration (ALVA) organises the annual conference on research in food safety, this year with the focus on One Health. One Health is a collaborative, interdisciplinary approach which highlights the importance of collaborations. This conference serves as a platform to foster collaborations within Luxembourg and beyond with invited speakers from Luxembourg and our neighbouring countries.

**11 December 2023 at 5 pm, followed by a reception - Cercle Cité (Luxembourg City)**  
**Refreshments & registration from 4 pm**

**Dr. Dominique Vandekerchove**  
Sciensano and Belgian Biodiversity Platform, Brussels (BE)  
**A Belgian vision on One Health and its implementation**

**Prof. Annemarie Käsbohrer**  
German Federal Institute for risk Assessment, Berlin (DE)  
**Integrated monitoring and surveillance on AMR. The German approach.**

**Dr. Johanna Dups-Bergmann**  
Friedrich-Loeffler-Institut, Riems (DE)  
**Implementing One health surveillance systems : what have we learnt from the One Health European Joint Projects ORION and Matrix, and how do we move forward?**

**Prof. Paul Wilmes & Dr. Cedric Laczny**  
Luxembourg Centre for Systems Biomedicine, University of Luxembourg (LU)  
**One Health: Systematically resolving infective competence in microbiome reservoirs to understand organismal and functional transfer across biomes**

**Dr. Chantal Snoeck**  
Luxembourg Institute of Health (LU)  
**Surveillance of viral zoonoses in Luxembourg for public and animal health**

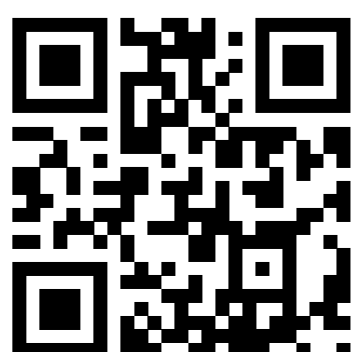

**Dr. Ruth Moeller**  
Laboratoire national de santé (LU)  
**Human Biomonitoring: a tool to identify priorities for health protection and a driver for advanced in-depth chemical risk assessment – a Luxembourgish perspective**

**Dr. Alexander Weigand**  
National Museum of Natural History (LU)  
**VectorNet-Update on arthropod vectors of medical and veterinary importance in Luxembourg**
